BS in Information Technology (Major in Networking Technology) **August 2022 – July 2026**
Batangas State University (Alangilan Campus) – Batangas

STI College Lipa **July 2020 – August 2022**
C.M Avenue, Lipa City - Batangas

EXPERIENCE

IT Support & Consultant (SPES) **May 2026 – July 2026**
Municipality of Ibaan

- Designed publication materials and visual content to support program announcements, events, and information dissemination.
- Managed the SPES system portal by encoding employee time records and maintaining accurate attendance data.
- Diagnosed and resolved computer hardware, software, and printer issues to ensure uninterrupted office operations.
- Provided technical support by troubleshooting IT equipment and assisting staff with system-related concerns.
- Maintained office IT resources through routine system checks, printer maintenance, and technical issue resolution.

IT Support Intern **February 2026 – April 2026**
PNP Ibaan Municipal Police Station

- Resolved network connectivity and computer hardware and software issues by diagnosing technical problems, performing system maintenance, and ensuring reliable daily operations.
- Processed and encoded official documents while maintaining accurate digital records and supporting efficient office documentation workflows.
- Managed the secure transfer and organization of digital police evidence to external storage devices, ensuring data integrity, confidentiality, and proper file management.
- Provided technical support to personnel by troubleshooting system-related concerns and assisting with computer, network, and software issues.
- Performed routine maintenance and configuration of computer systems and peripherals to improve performance and minimize operational downtime.

Publication Head **November 2024 – July 2026**
eSports Alangilan

- Create and manage of digital publication materials, including match updates, tournament schedules, announcements, and event promotions.
- Designed engaging graphics for esports-related content such as game results, match day highlights, and community announcements.
- Managed the timely release of visual content to improve audience engagement and information dissemination.
- Coordinated with the esports team to gather updates and deliver accurate promotional materials for events and activities.

SK Secretary **December 2024 – Ongoing**
Catandala, Ibaan, Batangas

- Prepared and maintained official documents, including meeting minutes, resolutions, reports, and other administrative records.
- Designed publication materials for announcements, events, and community updates to support information dissemination.
- Assisted in planning, coordinating, and managing youth programs, activities, and community initiatives.
- Participated in leadership trainings, seminars, and SK-related programs to enhance organizational and administrative skills.
- Demonstrated leadership and organizational abilities by supporting program implementation and coordinating with youth stakeholders.

PROJECTS AND THESIS

- **CalmLink (2025)**
 - Developed an IoT-enabled healthcare monitoring system designed for epilepsy patients, integrating seizure detection, fall detection, and real-time emergency notifications.
 - Implemented vital signs monitoring and medication alert features to support patient safety and improve health management.
 - Designed a connected system with wearable devices and a mobile application for real-time monitoring, data tracking, and emergency response support.
- **SynK (2023)**
 - A web-based platform designed to improve transparency and accessibility of SK programs, reports, announcements, and community updates.
 - Created a centralized system featuring event calendars and information management tools to streamline youth organization activities.
 - Designed an intuitive interface to enhance communication between SK officials and community members through organized digital records.

ACHIEVEMENTS

Deans Lister (Batangas State University – Alangilan) (2022 – 2026)

- Recognized as a Dean's Lister at Batangas State University – Alangilan for maintaining outstanding academic performance and consistent excellence throughout the academic term.

Wondershare Mockitt - Spring Design Contest: 2nd Place (2021)

- Achieved 2nd Place in the Wondershare Mockitt UI Design Competition by creating an innovative and user-centered interface design that demonstrated strong skills in UI/UX principles, visual design, and prototyping.
